DIRECTIVE 94/62/EC on Packaging and Packaging waste -Heavy Metals

The substances restricted in accordance with Directive Packaging and Packaging Waste 94/62/EC, US CONEG Model Toxics legislation in relation to the heavy metals that states the sum of Cadmium, Mercury, Lead and Chromium (VI) in products should be below 100 ppm.

Are not expected to be present in Fedrigoni Self-adhesives products at or above the specified concentration.

The above information is provided to the best of of our knowledge and belief based on the declaration of our materials' suppliers and experience of the manufacturing process. However, Fedrigoni Self-adhesives does not specifically analyze for the presence of substances listed above nor do we require our raw material suppliers to do so and cannot guarantee the absence or level of these substances to any specific limit.

This statement is valid only for the unconverted and unprinted product as such, as supplied and does not cover subsequent transformations (printing, die cutting, further coating or lamination) for which the suitability needs to be re assessed.

It is the responsibility of the manufacturer of finished articles and introduce them into circulation to make sure that its articles meet the above-mentioned requirements.
